

Jesus Green Association

Committee meeting of 22 August 2011 at 7 Park Parade: minutes

Present: Peter Constable, Anthony Bowen, Jo Morrison; by invitation John Lawton.

Apologies: Martin Thompson, Richard Price, Jeremy Pursglove; Blake Alcott was invited to attend but could not.

1. Minutes of the meeting of 11 July and of the Special General Meeting of 27 July were accepted.
2. John Lawton reported on the website. He had obtained access thanks to information supplied by Jack Grove (but more was still needed); he had posted minutes of committee meetings of the last six months and had cleaned the site up. MT had paid the overdue bill for the site. RP was asked to amalgamate the various lists of members and of attenders at general meetings, identifying those who had paid. JGA's thanks to JL are here recorded for volunteering to help and for doing so much. He suggested that an article could be posted on a recent attempt to clean Jesus ditch (AB reported that Jesus College's head gardener was willing to admit people wanting to work from the College's bank provided that the College was declared free from any claims against it).
3. PC and AB had met Alistair Wilson and Sarah Tovell earlier in the day; a draft text of the HLF bid was studied item by item. It was agreed to support it; PC would prepare a letter. AB would prepare some amendments to the text for the attention of AW and ST.
4. DoNM: **proposed** Tuesday 4 October at 6.0 p.m. at 23 New Square. (Subject to confirmation from other committee members).

Peter Constable (chairman)
